

BATT PACKS

Pro-grade portable power.

It's time to say goodbye to fuel, fumes, noise and maintenance and hello to the fuel-free future. The Batt Pack Energy and the Batt Pack Pro are built for the toughest of jobs and harshest of conditions. Rain or shine, you can rely on our range of Batt Packs to safely deliver power you can count on. Proudly made in Canada using the highest quality components, the new generation of Batt Packs are smaller, lighter and more powerful than ever before.

Equipment run times:

	BPE	BPP
Drone Recharge	20-50 charges	40-100 charges
Laptop, Monitors, Printers	15-25 charges	30-50 charges
Area Lights (10,000 lumen)	25 hours	50 hours
Recharge tool batteries	40-80 charges	80-160 charges
Cell Phones	100 charges	200 charges
2-Way Radios	20-50 charges	40-100 charges
Coffee maker	80 cups	160 cups

Note: Equipment run times may vary depending on product model, design configuration, applications, power management settings, and temperature conditions.

Why choose the Batt Pack:

Silent operation: When you're in the field, a noisy generator can draw unwanted attention. Our Batt Packs are silent, meaning they can be used indoors and outdoors with confidence and peace of mind.

Power on the go: The Batt Packs have been designed with portability and durability in mind. With the integrated wheels and pull out handle, you can roll the unit like you would a suitcase. We also offer an add-on carrier that can be used for additional protection in rough terrain.

Cold weather protection: Our Batt Packs come equipped with our proprietary POLARSHIELD technology, allowing you to operate the unit in temperatures ranging from -30°C to 50°C [-22°F to 122°F].

Weatherproof: Don't let something like a little rain or snow stop you. With an IP44 rating, our Batt Packs are extremely rugged and weatherproof.

Professional grade: Designed, built and tested for pro-grade purposes, our Batt Packs are used in everything from construction and public transit, to mining, emergency response & military applications.

Available in Military Green and Sand Color (subject to MOQs)
